

TECHNICAL DATA SHEET

Automotive Degreaser

1. Product Description

Thuleka's Automotive Degreaser is a concentrated, heavy-duty cleaning solution developed for industrial and commercial use. It is specially designed to break down and remove stubborn grease, oil, and grime from engines, vehicle parts, tools, and workshop floors. This powerful formula is safe for use on rubber, O-rings, chrome, and painted surfaces. Suitable for high-pressure systems, foamers, or manual cleaning.

2. Applications

- Degreasing of vehicle engines and engine bays
- Cleaning of tools, machinery, and parts
- Removing oil and grease from workshop floors
- Effective in mechanical workshops, service centres, and garages
- Compatible with high-pressure washers and foam systems

3. Product Features

- High-strength degreasing performance
- Cuts through heavy grease and carbon build-up
- Safe on most automotive surfaces (rubber, plastic, chrome, paint)
- Non-corrosive and non-flammable
- Biodegradable surfactants
- Can be used concentrated or diluted depending on the task

4. Typical Properties

Property	Specification
Appearance	Clear to amber liquid
Fragrance	Mild solvent or citrus (variant-dependent)
pH (neat)	11.0 – 13.0
Density (25°C)	1.03 – 1.08 g/cm³
Viscosity (25°C)	300 – 600 cP
Solubility	Fully soluble in water
Rinsability	Excellent

TECHNICAL DATA SHEET

5. Directions for Use

For Heavy-Duty Cleaning:

Use undiluted. Apply directly onto greasy surfaces. Leave for 5–10 minutes. Scrub if necessary and rinse with water.

For General Cleaning:

Dilute up to 1:5 with water. Apply by spray, cloth, or foamer. Scrub and rinse thoroughly.

For Pressure Washers:

Use at 1:10 dilution or per manufacturer's system specifications.

Note: Always test on a small area first, especially on sensitive or coated surfaces.

6. Storage & Handling

- Store in a cool, dry, well-ventilated area away from heat or flame
- Keep containers sealed when not in use
- Wear gloves and eye protection when handling
- Do not mix with acidic or other reactive chemicals

7. Packaging

Available in:

- 1L, 5L, 25L, and 200L HDPE containers
- Bulk packaging available upon request

8. Safety & First Aid

- Avoid contact with skin and eyes
- In case of contact, rinse with plenty of water for 15 minutes
- If ingested, do not induce vomiting — seek medical attention immediately
- Use in well-ventilated areas
- Refer to the Safety Data Sheet (SDS) for comprehensive safety instructions
