

TECHNICAL DATA SHEET

Shisa Braai and Grill Cleaner

1. Product Description

Braai and Grill Cleaner is a heavy-duty degreasing solution specifically designed to remove burnt-on grease, carbon deposits, and stubborn residues from braai grids, ovens, grills, and other cooking equipment. Its powerful formula cuts through baked-on food and fat with ease, restoring surfaces to a clean, hygienic condition.

2. Applications

- Cleaning of braai (barbecue) grids and plates
- Degreasing of oven racks, trays, and grills
- Suitable for gas and charcoal braais, rotisseries, smokers, and kitchen extractor filters
- Can also be used on cast iron and stainless steel cooking surfaces (when properly rinsed)

3. Product Features

- Heavy-duty degreasing and carbon removal
- Cuts through burnt-on fat, oil, and food residue
- Fast-acting formula for reduced scrubbing
- Clings to vertical surfaces for deeper penetration
- Suitable for domestic and commercial use
- Fragrance-masked to reduce strong chemical odour

4. Typical Properties

Property	Specification
Appearance	Clear to slightly brown liquid
Fragrance	Mild chemical or neutral
pH (neat)	11.5 – 13.0
Density (25°C)	1.03 – 1.08 g/cm ³
Viscosity (25°C)	300 – 800 cP
Solubility	Fully water-soluble

TECHNICAL DATA SHEET

5. Directions for Use

1. Ensure surface is cool before application.
2. Spray or apply product directly to the surface.
3. Leave to penetrate for 5–10 minutes (longer for heavy build-up).
4. Scrub with a scouring pad or stiff brush.
5. Rinse thoroughly with clean water before use.
6. Repeat if necessary.

Note: Always test on a small area before full application. Not recommended for aluminium or painted surfaces.

6. Storage & Handling

- Store in a cool, dry place away from sunlight and heat
- Keep container sealed when not in use

- Do not mix with other household cleaners or acids
- Use gloves and eye protection during use
- Keep out of reach of children

7. Packaging

Available in:

- 500ml spray bottle, 750ml, 1L, 5L, and 25L HDPE containers
- Bulk and refill sizes available on request

8. Safety & First Aid

- Avoid contact with skin and eyes
- In case of eye contact, rinse thoroughly with water for 15 minutes
- If ingested, do **not** induce vomiting — seek medical attention immediately
- Refer to the Safety Data Sheet (SDS) for full safety guidance
