4. Control Measures in Place

- **Ventilation:**
 - ☒ General ventilation
 - ☐ Local exhaust (only if sprayed indoors in enclosed spaces)
- **Personal Protective Equipment (PPE):**
 - Gloves: Nitrile or neoprene gloves
 - Eye Protection: Safety goggles or splash-proof safety glasses
 - Respirator: Not required under normal use
 - Protective Clothing: Apron or workwear if splashing is likely
- **Storage Instructions:**

Store in sealed, upright containers away from heat and direct sunlight
- **Handling Precautions:**

Do not ingest. Avoid contact with the eyes and skin. Do not mix with other products unless instructed to do so.

5. Emergency Procedures

- **First Aid Measures:**
 - Inhalation: Move to fresh air. Seek medical advice if symptoms develop
 - Skin Contact: Rinse skin with water and remove contaminated clothing
 - Eye Contact: Rinse thoroughly with clean water for at least 15 minutes
 - Ingestion: Rinse mouth. Do not induce vomiting. Seek immediate medical attention
- **Spill Clean-Up:**

Use PPE. Absorb with sand or inert material. Dispose of safely according to local regulations
- **Fire-Fighting Measures:**

The product is non-flammable. Use extinguishing agents suitable for the surrounding fire (water, CO₂, dry powder)
