

TECHNICAL DATA SHEET

Thuleka Foam Bath

1. Product Description

Thuleka Foam Bath is a luxurious, pH-balanced bubble bath formulation designed to provide a rich, foamy lather that soothes, softens, and refreshes the skin. Infused with moisturising agents and delightful fragrance options, it turns every bath into a calming and rejuvenating experience. Suitable for daily use on all skin types.

2. Applications

- For use in bathtubs at home, hotels, spas, and guest lodges
- Gently cleanses while providing a relaxing foam experience
- Ideal for personal care, hospitality, and gift packs

3. Product Features

- Rich, long-lasting foam
- pH-balanced for gentle skin care
- Enriched with moisturising ingredients
- Available in multiple fragrance variants (e.g. Vanilla Bliss, Lavender Calm, Ocean Breeze)
- Rinses easily and leaves no residue
- Suitable for all skin types
