

TECHNICAL DATA SHEET

Luxury Hand Soap

1. Product Description

Thuleka Luxury Hand Soap is a premium-quality liquid hand wash designed to gently cleanse while nourishing the skin. Enriched with moisturisers and infused with elegant fragrances, this soap produces a rich, creamy lather that leaves hands feeling clean, soft, and delicately scented.

2. Applications

- Daily handwashing in homes, offices, hospitality venues, and public restrooms
- Suitable for use in manual and dispenser bottles
- Ideal for settings where hygiene and comfort are priorities

3. Product Features

- Rich, luxurious lather
- Enriched with moisturising agents (e.g., glycerine, aloe extract)
- Gentle on all skin types – suitable for frequent use
- pH balanced for skin compatibility
- Available in premium fragrances: Rose Petal, Vanilla Silk, Aqua Breeze
- Leaves skin feeling soft, smooth, and refreshed

Foam Stability High, creamy lather

TECHNICAL DATA SHEET

5. Directions for Use

Handwashing:

Apply a small amount to wet hands. Lather well by rubbing hands together for 20 seconds. Rinse thoroughly with clean water and dry hands.

Dispenser Refill Use:

Pour directly into soap dispenser. Clean and dry dispenser before refilling to prevent contamination.

6. Storage & Handling

- Store in a cool, dry place, away from direct sunlight
- Avoid extreme temperatures and freezing
- Keep container sealed when not in use
- Keep out of reach of children

7. Packaging

Available in:

- 300ml pump bottle, 500ml, 1L, 5L, and 25L containers
- Refill pouches and bulk sizes available on request

8. Safety & First Aid

- For external use only
- Avoid contact with eyes – if contact occurs, rinse thoroughly with clean water
- If irritation occurs, discontinue use and consult a doctor
- Refer to Safety Data Sheet (SDS) for full safety and regulatory details
