

TECHNICAL DATA SHEET

Spoti Spot Stain Remover

1. Product Description

Spot Stain Remover is a fast-acting, targeted cleaning solution designed to lift and eliminate tough stains from clothing, upholstery, carpets, and other washable fabrics. Its active stain-fighting agents break down oil, grease, food, ink, wine, and other common household stains without damaging fabric fibres or leaving residue.

2. Applications

- Pre-treatment for laundry stains (e.g., collars, cuffs, grease marks)
- Removing stains from upholstery and fabric couches
- Spot cleaning carpets and rugs
- Suitable for use on most colourfast washable fabrics

3. Product Features

- Penetrates deep to lift tough stains quickly
- Gentle on fabrics while tough on stains

- Works on both fresh and set-in stains
- Ready-to-use — no dilution required
- Safe for use in homes, laundry services, hotels, and schools
- Light, fresh fragrance

4. Typical Properties

Property	Specification
Appearance	Clear to slightly tinted liquid
Fragrance	Mild, fresh scent
pH (neat)	7.0 – 9.0
Density (25°C)	0.98 – 1.02 g/cm ³
Solubility	Completely soluble in water
Active Ingredients	Surfactants, solvents, enzymes (optional variant)

TECHNICAL DATA SHEET

5. Directions for Use

1. Test on an inconspicuous area for colourfastness before full application.
2. Apply Spot Stain Remover directly onto the stain.
3. Gently blot or rub with a clean cloth or soft brush.
4. Leave for 5–10 minutes (for stubborn stains, allow longer).
5. Rinse or launder as usual.
6. Repeat if necessary.

Note: Do not allow product to dry on fabric. Not suitable for silk, wool, or non-washable materials.

6. Storage & Handling

- Store in a cool, dry area away from direct sunlight
- Keep container tightly sealed when not in use
- Keep out of reach of children
- Avoid contact with eyes

7. Packaging

Available in:

- 250ml squeeze bottle, 500ml spray bottle, 1L, and 5L containers
- Custom packaging and bulk refill options available

8. Safety & First Aid

- For external use only — avoid ingestion
- In case of eye contact, rinse thoroughly with water
- If irritation develops, discontinue use and consult a physician
- Refer to the Safety Data Sheet (SDS) for complete safety information
