

TECHNICAL DATA SHEET

ZAMA Thick- Fragranced Bleach

1. Product Description

Thuleka Thick-Fragranced Bleach is a heavy-duty, multi-purpose disinfectant and whitening agent formulated with a pleasant, long-lasting fragrance. Its thickened formula provides superior cleaning and extended contact time on vertical surfaces, making it ideal for cleaning toilets, bathroom tiles, basins, and drains.

2. Applications

- Disinfection of toilet bowls, basins, and tiled surfaces
- Removal of stains and mildew
- Whitening of fabrics (for diluted use only)
- Suitable for domestic, hospitality, and industrial use

3. Product Features

- Thickened formula for enhanced surface contact
- Powerful disinfecting action (kills 99.9% of germs)
- Long-lasting fragrance (available variants: Lemon Zest, Ocean Fresh, Lavender Breeze)
- Formulated for South African water conditions
- Contains biodegradable surfactants

4. Typical Properties

Property	Specification

TECHNICAL DATA SHEET

5. Directions for Use

Toilet Cleaning:

Apply directly under the rim. Leave for 10–15 minutes, then brush and flush.

General Disinfection:

Dilute 1:10 with water. Apply using a cloth or mop. Leave for 5–10 minutes, then rinse.

Fabric Whitening:

Dilute 1:100 with water. Soak white fabrics only. **Do not use** on wool, silk, or coloured fabrics.

6. Storage & Handling

- Store in a cool, dry, well-ventilated area away from direct sunlight
- Do not mix with other cleaning agents or acids
- Keep out of reach of children
- Use appropriate PPE when handling bulk quantities

7. Packaging

Available in:

- 750ml, 1L, 5L, and 25L HDPE containers
- Custom sizes available upon request

8. Safety & First Aid

- Avoid contact with skin and eyes
- In case of contact, rinse thoroughly with water
- If ingested, **do not induce vomiting** – seek immediate medical attention
- For further details, refer to the product Safety Data Sheet (SDS)
