

TRAINING MANUAL

Green Buster Training Manual

Product Overview

Green Buster is a multi-purpose cleaning solution formulated to tackle dirt, grime, mould, and algae on a wide range of surfaces. It is tough on stains but designed to be environmentally responsible, making it suitable for both indoor and outdoor cleaning.

Where to Use

- Outdoor paving, driveways, walls, and patios
- Garden furniture (plastic, stone, concrete)
- Bathrooms & showers (tiles, grout, mould spots)
- Kitchen counters, sinks, and general surfaces (diluted)
- Schools, gyms, and public facilities

Not recommended for delicate fabrics, polished wood, or natural stone unless tested first.

How to Use – Step by Step

1. Outdoor Surfaces (Algae, Mould, Dirt on Paving/Concrete)
 1. Dilute 1:5 (200 ml per 1 litre water) for normal cleaning.
 2. Apply with a brush, mop, or sprayer.
 3. Leave for 10–15 minutes to work.
 4. Scrub if needed, then rinse thoroughly with clean water.
2. Bathroom & Tile Cleaning (Mould, Soap Scum, Grime)
 1. Dilute 1:10 (100 ml per 1 litre water).
 2. Apply with cloth, sponge, or spray.
 3. Leave for 5–10 minutes.
 4. Scrub and rinse with water.

TRAINING MANUAL

Green Buster Training Manual

3. Kitchen & Indoor General Cleaning

1. Dilute 1:20 (50 ml per 1 litre water).
2. Wipe down counters, sinks, or surfaces.
3. Rinse well if used on food-contact areas.

4. Heavy-Duty Use (Stubborn Outdoor Build-up)

- Use undiluted or 1:3 dilution.
- Apply directly to moss, algae, or grease.
- Scrub and rinse thoroughly.

Safety Guidelines

- Wear gloves for heavy-duty use.
- Use in a well-ventilated area indoors.
- Avoid contact with eyes and skin.
- Keep out of reach of children and pets.
- Store in a cool, dry place away from direct sunlight.

Quick Tips

- Best applied on dry outdoor surfaces for long-lasting effect.
- Regular use prevents build-up of moss and algae.
- Works faster in warm water.
