

TRAINING MANUAL

Nandi's Window Shine Training Manual

Product Overview

Nandi's Window Shine is a ready-to-use glass and window cleaner that removes dust, grease, and fingerprints, leaving a streak-free shine. Specially formulated for fast drying, it keeps windows and mirrors crystal clear.

Where to Use

- Glass windows (indoor & outdoor)
- Mirrors
- Glass tables & cabinets
- Shiny surfaces (chrome, tiles, stainless steel – test first)

Not recommended for wood, painted surfaces, or electronic screens

How to Use – Step by Step

1. General Window & Glass Cleaning

1. Spray Nandi's Window Shine directly onto the glass surface.
2. Wipe with a clean, dry cloth, paper towel, or microfiber cloth.
3. For best results, use circular motions, then finish with vertical strokes.

2. For Stubborn Dirt & Grease

1. Spray generously on the affected area.
2. Leave for 30 seconds.
3. Wipe off with a cloth or paper towel.

Safety Guidelines

- Do not mix with other cleaners.
- Keep out of reach of children and pets.
- Avoid direct contact with eyes; rinse with water if contact occurs.
- Store in a cool, dry place away from direct sunlight.

Quick Tips

- For streak-free results, use a microfiber cloth.
- Clean windows on a cool day or in the shade to avoid fast drying streaks.
- Works equally well on mirrors and chrome finishes.
