Zama Thick Fragrance Bleach Training Manual

Product Overview

Zama Thick Fragrance Bleach is a powerful disinfectant and stain remover with a thickened formula that clings to vertical and hard-to-reach surfaces. It kills 99.9% of germs, removes stains, and deodorises, leaving a fresh fragrance after cleaning.

Where to Use

- Toilets & Urinals – deep cleaning and germ-killing action.
- Bathrooms – tiles, sinks, showers.
- Drains & Waste Areas – odour removal and disinfection.
- Laundry (Whites Only) – whitening and stain removal.

Not suitable for coloured fabrics, wood, aluminium, painted surfaces, or food-contact areas.

How to Use – Step by Step

1. Toilet & Bathroom Cleaning

1. Flush toilet or wet surface with water.
2. Apply Zama Thick Fragrance Bleach undiluted directly under the rim, on stains, or across surfaces.
3. Leave to act for 10–15 minutes (do not leave on metal fittings).
4. Scrub with a brush or sponge.
5. Rinse or flush with clean water.

2. General Surface Disinfection

1. Dilute 1 cup (250 ml) bleach in 5 litres of water.
2. Apply with cloth, mop, or sponge.
3. Leave for 10 minutes.
4. Rinse with clean water.

Safety Guidelines

- Use gloves and keep in a well-ventilated area.
- Do not mix with other chemicals (especially ammonia or acids).
- Keep out of reach of children and pets.
- Store upright in a cool, dry place.
- Avoid prolonged contact with metal, fabrics, and skin.

Quick Tips

- Thick bleach is best for direct application on toilets, drains, and stubborn stains.
- For large surface cleaning, dilute before use.
- Always rinse thoroughly after use.
- Stronger than thin bleach – use sparingly on laundry.
