

TECHNICAL DATA SHEET

Ubuntu Pine Gel

1. Product Description

Ubuntu Pine Gel is a concentrated, multi-purpose cleaning gel infused with a powerful pine fragrance. It is formulated to clean, disinfect, and deodorise a wide range of surfaces, leaving behind a long-lasting fresh scent. The thick gel clings to vertical surfaces and tough dirt, making it ideal for use in homes, schools, clinics, hospitality, and industrial environments.

2. Applications

- Cleaning and deodorising floors, tiles, walls, and bathrooms
- Suitable for use in kitchens, toilets, showers, bins, and drains
- Can be used on hard surfaces such as ceramic, vinyl, linoleum, and stainless steel
- Safe for domestic and commercial cleaning

3. Product Features

- Thick, gel-based formula for better coverage and longer contact time
- Powerful pine fragrance for effective deodorising
- Cleans and sanitises in one application
- Non-abrasive and safe on most hard surfaces
- Economical — can be diluted for general cleaning
- Leaves surfaces fresh and shiny

4. Typical Properties

Property	Specification
Appearance	Thick, green gel
Fragrance	Strong pine scent
pH (neat)	8.0 – 10.0
Density (25°C)	1.00 – 1.05 g/cm ³
Viscosity (25°C)	1500 – 3000 cP
Solubility	Water-soluble
Disinfectant Content	Yes (mild antibacterial action)

TECHNICAL DATA SHEET

5. Directions for Use

General Cleaning:

- Dilute 1:10 with water in a bucket.
- Mop or wipe the surface. No need to rinse for light cleaning.

Heavy-Duty or Toilet Use:

- Apply directly with a cloth or brush.
- Leave for 5–10 minutes. Scrub if necessary and rinse.

Deodorising Drains/Bins:

- Pour a small amount (50–100 ml) undiluted into the area.
- Leave to act — no rinsing required.

Note: Avoid use on untreated wood or unsealed stone surfaces.

6. Storage & Handling

- Store in a cool, dry area away from direct sunlight
- Keep container tightly closed when not in use

- Do not mix with acidic cleaners or bleach
- Keep out of reach of children and pets

7. Packaging

Available in:

- 500g, 1kg, 2kg, 5kg, and 25kg tubs
- Custom packaging and fragrance variants available upon request

8. Safety & First Aid

- **Skin contact:** Wash with soap and water if irritation occurs
- **Eye contact:** Rinse cautiously with water for several minutes
- **Ingestion:** Do not induce vomiting — seek medical advice immediately
- Use gloves when handling in large quantities
- Refer to the Safety Data Sheet (SDS) for complete safety information
